Acceptance into Atlantic Works Gallery indicates that the members are committed to actively participating in and contributing to your artistic endeavors.

The success of each Atlantic Works Gallery show and event depends on the participation of every member. your enthusiasm, vision, energy, time, presence, and your artwork are essential elements to Atlantic Works. What you should plan to contribute

+ **Bi-monthly meetings**, which last approximately 2 hours, to discuss relevant matters. members are expected to attend all and are required to attend at least three of these meetings each year.

+ **The Steering Committee** organizes the quarterly meeting and sets the agenda. the steering committee meets prior to each quarterly meeting and periodically as needed to resolve urgent matters. All members must participate in the steering committee for a duration which varies depending on the number of members in the group.

+ **Gallery Hours** are shared by members and are currently scheduled for Fridays and Saturdays. The frequency of gallery hours depends on the number of members. Gallery hours should be working hours, during which you find a task which helps maintain and/or evolve the gallery.

+ **Tasks** are also shared by members and include publicity, gallery maintenance, reception organizing, postcard design, member communication and coordination, documentation and archiving, etc. You should plan to spend 4 hours per month outside of gallery hours and meetings towards gallery tasks.

+ **Monthly Receptions** include the opening reception and third thursday events. it is vital to every event that members attend and bring people.

+ **and most importantly, Your Artwork.** the artwork you create is the core of our collaboration and success. the sharing of tasks and participation in events serves to encourage you and all artists in Atlantic Works to continue with art making and to continue with evolving our craft and vision. there is no aesthetic dogma in the group, and to join the group indicates a commitment to appreciating and respecting each member's differences along with similarities.

What Happens Next?

Email your application and images to *contact@atlanticworks.org*.

We recommend sending a separate notification with no attachments so that we know to look out for your application (sometimes large attachments prevent emails from going through).

You may also mail this form USPS along with your slides/photos to:

Atlantic Works Gallery

80 Border Street East Boston, MA 02128

Applications for membership are considered periodically by the steering committee, which makes recommendations to the members for discussion and approval at each quarterly meeting.

During this process, we may ask to see more samples of your work or invite you to a quarterly meeting to have the opportunity for a first-hand introduction. Invitation to this meeting does not indicate acceptance to Atlantic Works.

The selection process is by majority vote, and we reserve the right to deny membership. There are many factors for accepting new members and denial is not necessarily a reflection of the group's opinion of your artwork or person.

If accepted, a member of the steering committee will contact you and arrange to share member information, to collect membership dues and enroll you in the group listserv to be included in email correspondence. You will receive notifications of events at the gallery as well as notices for upcoming meetings. You will also be able to send any questions you have to the group.

Thank you for your interest!
